Up, Up with People!
You meet them wherever you go.
Up, Up with People!
They're the best kind of folks we know.
If more people were for people,
All people, everywhere,
There'd be a lot less people to worry about
And a lot more people who CARE!!

ACKNOWLEDGMENTS

We hope you have enjoyed watching SING OUT as much as we have enjoyed presenting it.

SING OUT is attempting to create an active, total-involvement program to bring out the best creativity in each individual. The spirit we express in our show is common to all. To us, building the future is serious business. It will take the participation, the energy, and the concern of everyone.

We would especially like to thank KDUB-TV, Cable 10 TV, WDBQ, KDTH, and the Telegraph Herald for all the publicity they have given us. Thanks also to Mrs. Lois Schlachtenhaufen of Senior High School for the use of additional sound equipment, Clarke College for the use of this auditorium, and Rhonda Welsh for all her time spent in contributing to the success of this show.

Very sincere thanks to Mr. William Eichman for his advice and endless service he has given us during the group's existence.

Thank you SING OUT parents for all your patience and understanding through our hours of practice.

SING OUT DUBUQUE CAST

What is "SING-OUT"?

SING OUT is for people, by people, and about people. It is a world-wide bid by youth to link up today's generation and to play their full part in the era of tomorrow.

The aim of SING OUT is to peer into life with the creativeness to answer the immense needs of humanity, the self discipline to preserve freedom, and the maturity to live up for the future and not just for the moment. This new total-involvement concept was expressed by a Texas SING OUT member, "Sing Out represents the future leaders. These young people look forward to make the world a better place to live. This is not an ordinary singing group, their songs say that each person should get involved."

SING OUT has no limits or bounds. Everyone - no matter race, creed, etc. has his part; each has responsibilities besides the music portion of the show.
